TITUSVILLE, PA., WEDNESDAY, MAY 20, 1868.

IOR PRESIDENT.

Gen. Ulysses S. Grant. OF ILLINOIS

FOR VICE PRESIDENT. ANDREW G. CURTIN,

OF PENNEYLVANIA. Subject to the Decision of the Republican National Convention.

Republican State Nominations

For Au liter General,
JOHN B. HARTRANET, Or Montgomery County For Lurveyor General
JACOB M. CAMPBELL,

Republican Primary Meeting. At the recent meetly of the Republican Committee r Leawford County it was ordered that the Primary e 1868 in the several preincts at

that acquire is all the death warrant of thou suids of truly loyal then all through the South that acquired imperies all which by agony and blood by laws and tooks we have in six years established. We therefore expected conviction by, believed that the statements in de so perset entity by Democratic papers and the friends of the Irosident were more sensation remore, and we believed that arity all east on the assumances of the very men concerning whom these runners have now proved well founded. On State of years the reports began to be serious and every concression and nowspaper names in we now proved well founded. On State was a That kepresentatives began to wait on the Senators and insist now that the trill was closed, on definite answers. I remball stood on his dignaty relisand to say low he should a stellar the founded of the check tion the minds of the delaytion the decided impression that he should vote, for some of the atticles. I Les une was true of Fescandar all. But the Democrate somethow knew. These man and given them to understand, or at hest they did understand successfund, or at hest they did understand successfund, or at hest they did understand successfund; by the state of the case while it was conceated from the Republic in friends of these Bantors. Monday highs few that had or thought they must any liftunes steps. It aday morning come. Some finisher that he were that had or thought they must any liftunes steps. It was toosaling in the delicition of brain tever. Yet he was lead on impactament and delearch that if the vote was to be taken he would go to the State and vote. If the act were, that he could not better die. Would

pastiment and octavion in a relative was one of the scenario and you of the scenario and you of the act were, fital he could not better die. Would to food all were so brave and true. But the Republicans due not risk it, and it was deleted informally to put the vote over until Sunday We continually ask some questions. Among

derson and rumon. It is said the second the case that the second is the parties. It is is not probably a carety Johnson or Senator howler doubt ble Reserdy Joinson or Senator Fowler doubt it as phased this port. There was no need of an outsider. First there was such an understanding is indicated by the firet that the D moerat knew so exactly what was to be done and what was to do it by the reflected and deception practiced towards Ropublican friends by the Senators named and by the uniformity of action in the matter. This, too, explains the confidence of Mr. Evarts who has said repeatedly that he 'knew' (this is his word) that the President would be acquitted. The relatives of Senator Trumbull, I am informed, took hers on acquittal many days ago.

In the light of a distinct understanding and agreement many other things are made plain.

retment many other things are made plain now Long ago was the agreement made

Johnson, has violated the Constitution and laws and on the 16th of May vote that he has not, r mans for him to explain Henderson has not consorted with this set of

manis for lim to explain

Henderson his not consorted with this set of men. He has been violent against Johnson, and was spoken of for Recreatry of the Interior under Wide. Nothing has occurred apparently in his case, except that it is generally understood that no Benator will accept a place in Wade schint, because the voto on imprachment might thus scare a vote for a cabinet office. Hender son might feel that Wade appointer would hold over under Grant, and thus exclude him enthely Bestites this, it is alleged to a better would be the stream of the second of the mind of the think of the second of the mind of the betterford Alies Footen ayoung and very beautiful woman. Her family as fiercely Democratic You must judge for yourselves. He has acted has a weak must for having agreed to vote against the whole, he was turtiby moved by the unanimous and indignant protest of the Missouri deligation. He cried like to bild, offered to resign at then agreed not to vote on any article which the cannot vote for, and still he whiftee and truthles, and nobody knows what he will do.

do
As for Fowler, some charge his sudden conversion from Brownlow radicalism to minering construction from Brownlow radicalism to minering construction to the persuasions of the widow Stover—I doubt this Some declare that he has been served out of reason and fidelity by frightful Ku klux letters. Others still gary that he was poor and is to day worth half a milliou of dollars. He seems to me more likely than any one of the five to accept a bribe.

The Return Judges will meet at the Court House of Meadwill on the Investage for the ground at the Court House of Meadwill on the Investage for the ground to clock P M of said day I dram of County Commuter

The Judd Divorce Case.—History of the Unhappy Couple.

From the New Havon Journal
The seandar of this case now dragging its dis greeful length through our Superlor Lourt has naturally attracted the attention of the New York press which delight in such abunes for dippant moralizin, and spacious criticism on the social vices of the raral districts. Nearly every New York daily has, in its turn, had its fling at the case and the parties, supplying by an excess of impudent assumption, its link of knowledge. The World treats us to the last piece of the writing, and its official capacity of a leader of Democracy, it uses the austy developments of the case to throw discredit on New Forland Christian Hearling and its official capacity of a leader of the New Horland Christian Hearling and the case to throw discredit on New Forland Christian Hearling and the purises to the suit are New State and that both the purises to the suit are New States.

who an honest man, for he teatilies that he main northing, out of his office except his stary of \$1, 500 year. He added somewhat to his income by preparing speeches for a Democratic Congress man from New York city, and by translating the setipures for a New York religious society. His with is also a thorough New Yorker, the widow of a New York lawyer, and a present resident of the tily Their introduction to New England was accidental, and their residence in New Hayen was not con lucive to the prosperity of the church not con lucive to the prosperity of the churt over which they ministered. New York ma-take all the credit due to their virtues and mu-shoulder all the responsibility that any commu-nity can bear for their feelings.

In the light of a tensor of the trial for things are made plain mow long ado was the agreement and the trial in this light the devious and deciding action of the trial in this light the devious and deciding action of the trial in this light the devious and deciding action of the trial begin ming of the trial in this light the devious and deciding action of the trial begin mere than the trial begin mere the would not have appeared for the decirans he would not have appeared for the distalling. Other things are being fooked lined and will, I believe, be brought to light. Others date the agreement hack about four weeks and root included the trial begin mere the mere the

Soldiers' and Sailers' Convention — Grant Unanimously Nominated, etc Cutter 60, May, 19
The Soldiers' and Sallors' National Contention

net to-day. Maj. Gen. John A. Logan, oi Illinois, was iceted President. The Committee on Resolutions includes del

The Committee on Resolutions includes delegates from every State in the Union.

Gov Fairchild having announced that the inther of Gen Grant was in the house, loud critis were made for him, and in reloctantly responded, and took his place upon the stage, the band playing Hall Columbia as Mr. Grant took his seat beside the Chairman. The entire Convention roce to its fact, and in three times three twithed their respect for the Lather of the Nation's Chairman. A speech was loudly called for, and Mr. Grant, adjusting his spectacles, rose and briefly addressed the Convention Hie expressed times in terminal the convention of the property in particular, should be called upon by the brates of the union to speak to them Replies by the Convention—You had a boy; that's chough.

After exhorting the Convention to moderation

ion General Logan was then conducted to his sent

dress them. General Cachrone, on being introduced, sud in substance, that he beged every true soldier in the country would set as jurors on the conduct of seven pointest initiots in the United Sures Senate, and would give in a verdict cashiering them and dismissing them from the service of their country. Senator Ross once was a soldier, a but he is now a traitor. Trumbull has been their country. Senator Ross once was a soldier, but he is now a trutter. Trumbull has been a patriot but the country casts him oft, and the verdict of the people will consign him to a not litted grave too deep for resurrection. Do not forget Fessenden, who ranks himself on the sold of truttors to his country. To the soldiers of lowa he would say, "Dig a grave for the deaf Grimes and bury him as deep as his action while milty will warrant you."

Grimes and bury lilm as deep as his action white ulive will warrant you."

At this point the band struck up the Rogue's March, interrupting the apealer, but not it existent extended and a subset of the existence of all, who cheered loudly.

The General said when the applicace had subset if any is case column marching through the streets of Chicago consigning the dud politicians to the most remote centerry in the circ. He called on the soldiers of the nation to remonstrate always how they tall been treated by the

the called on the soldiers of the nation to remeabler always how they lind been treated by the men they had honoured by giving them honorable positions, and see to it that they are not again footed by politicisms.

At the conclusion of the General's speech one of the Secretaries read a communication from the Common Council of Chicago, tendering to the soldiers and sailors of the Committen the hospitalities of the city.

A vote of thrubs to the Council was moved and unauthously voted.

Mr Haggerty, of New York, was then called for and addressed the Convention at consider able length in a huppy fair in Healinded to the

for and addressed the Convention at consider the length in a happy strain. He allied to the recreemst Senators who had not the back bone to do their duly, and suggesting that greenheels which the Lumocratte party so loudly derlife had something to do in the acquittal of Andrew Lalinson.

had something to do in the acquitted of Andrew idolmson.

Col. Hemstreet, of New York, offered the following, which was referred to the Committee on resolutions:

Whereas, Many of the 1sto Defenders of the Union belog new out of employment and they and their smilles suffering privations by reason of their sacriliees in the war; therefore, Resolved, By the United States Soldiers and Sillors of the Republic in the late war, in National Convention assembled, on this 19th day of May, 1898. We loid it to be the duty of the administration of the National and State Governments to carry into pressured effect a substantial gratitude to the Defenders of the National in stowing upon these of our comrades who are seedy of employment in offices of manual lator.

ments to erry into presseat succt a substantial gratitude to the Defenders of the Nation in bestowing upon these of our comrades who are needy of employment in offices of manual labor.

Resolved, That the Chairman of this Convention and a copy of these resolutions to the Chairman of the National Republican Convention, on the National Republican Convention, on the National Republican Convention, belong the state of the Convention of the White House As to recream seven, whose manes will go down to posterity covered with more shame than was that of Benedict Arnold. He hoped the country would epew linu out and consign them to that obscurity which justly envelops every one who mans traitor to the obscurity which justly envelops every one who mans traitor to defend the negro, 'He owed his life to the true, and could not be ingrateful. Who ever heard of a secesh negro? I so,000 of them fought for the Union, and had in every way proven themselves good elitreas and worthy of the name. Negroes land alded white men in Tennessee during the rebellion, and to then is due the acknowledgement that their efforts, united with those of white men, had preserted Tennessee, and to-day it was as loyal as any State in the Union. Negroes land proven the reselves capille of using the ballot, for they had cast it always for the Tapublican party.

Gen. Logan, Chrisman of the Committee on Resolutions, reported as follows:

Resolved, That the soldiers and sailors stand fast now as ever to the Union and the ling, fully recognizing the claim of General U. S Grant to the confidence of the American people, and be lieving that the victories won under his guidances he war will be libertrated by him in peace by such measures as shall secure the fulls of our evertions and the restoration of the Union

people.

Resolved, That soldiers and sailors recognize to difference between batter and adopted citizens, and they demand that the Government potent naturalized citizens abroad as well as those of native birth.

of native birth.

After the reading of the third resolution every member present rose to his feet, and gave three searcy groups for Andrew Johnson and the trait-rose Republican Senators, while the band played like Rogue's March.

Ou motion of Gon. W. M. Greeg, of New York, the above resolutions were unsulmously adopted amid cheers for Gon. Grant.
On motion of Col. H Culliman, of Pa, it was resolved, That a Committee of Nice be appointed to wait upon General U. S. Grant and present him with a copy of the resolutions of the Boldiers' and Sallors' National Convention.
On motion of W. S. Andrews, of New York, 4t was

cresion in the face of the unprincipled intrigue which the traitors have attempted to orgatize against him.

The indications all point to the nomination of Wade for the second place. Deligate seem to concur in the duty of laying former preferences aside, and administering, by this selection, the most effective reboke to the traitors. The Fennsylvania delegation are not heartily united in favor of Curtin, and the seats from several of their districts are to be contested.

This Soldiers' Convention also promises to be a marked success. Its attendance will be full and enthusiastic. Its marked reprobation will be pronounced on Ross, the unfaitful Kaneas Senator, as the only Union soldier in Congress who has betwied in supprending against Fersenden, Tramboll and their co-plotters and tools. They are universally and unsparingly denounced the Convention will not falter in its duty of concernation, reterrating its opinion of treason in every department of the Government. The signs an othering and hopful

Merchant's Union Express, for damages caused
by a collision with one of their teams.

BY ATLANTIC CABLE.

The Press on Impeachment PARIS, May 19.
The news of the acquittal of Johnson on the lith article was received Saturday evening and acarly all the papers of yesterday have editorials in the subject.

The To-

martical was received saturday evening and mearly all the papers of resterday have editorials on the subject.

The Terms (Democrate) says. Johnson was saved by legal forms only; he has been deposed in the mind of the country.

The Journal Des Debats (Orleanist) says While Johnson is acquitted, the vote is such as to render him poweries thereafter.

L'a Liberto (Radical Opposition) says simply that the verdict shows that liberty is the best guarantee of justice.

The Constitutional (semi-official Imperialist) regards the vote as tatal to the Radical party.

The Epuque was opposed to impeachment from the beginning, and it blames the Republicans for attempting to remove the Executive on grounds as slight, and says that a grand political party could not have more clumsily lost its pressige.

WORCESTER. Court Matters.

Charles and James and Bilas Galacs, charged with the mirder of Joseph Clark, of this city, on the 28th of February, and David Doer and Josephine Ballamore, chirged with the mirder of Lewis Safamore, at Dudley, on the 17th of April last, were arraigned before the Court this p.m. The indictments were read and all the prisoners pleased more about the Court down the C

The revision of the tariff and the internal rev enge bills is highly important. It must be done at this session, or it will incultably go over fo two years, to the mealculable loss to the country in money credit and prosperity I at the pe ple press the work upon their representatives, by showing that they take an intelligent later est in it, and are resolved to have it well done

ary of Pennsylvania has just been published and as this is an institution in the management of which great care has always been taken, the results of of its system are regarded with much interest. The managers find that oftenders often escape nunishment from a defect in the chasiff of crimes, and think the criminal law should be amended in this particular. They also think that many prisoners who are now sent to the punitentiary should have been sent to the sounty prison Being sent to the punitontlary is apt to to make convicts 'marked men" and pre

last viar was 5.975, of whom 5 008 were convict against persons. Of the 5 008 convicted of crime On the subject of the age of the prisoners when first received, it appears that of the total 5975 re wenty five years of age and under average of youthful convicts is unhapplix in were under twenty five years of are. This is not a pleasant subject for reflection. The tables show that of these 167 boys and joung men, but 24 had ever been apprenticed to any trade or culling, and of those 24 only 6 had served out their appren ticaship and the other 123 were of the class that have no regular occupation, or clse were employ ed in wats that require no preliminary service in order to learn the business. They were waif-

these hads may be of use to our renders

There are two distinct modes of furnishing
bets with the flowering plants. One is to plant
in cut but only one kind of plant or perhaps
to edge the but with another kind, but as this
style of gardening is more suitable for large thu
small gardenin, we pass at once to make a
few remarks upon the other mode of
furnish ng beds, which may for distinction, be
called the mixed style, while the former style
insures a bold and decided a few of coloring, in
the garden for a short period of the year, rarely
exceeding three months the latter styles secures
to the anasteur a constantly changing source of
ple users for at least nine moaths (seven in our
elimant) out of twelve. It consists in the just ph ware for at least time months (seven in our climant) out of twelve. It consists in the justicious distribution of plants of all kinds over our buds and horders, in such a way that as month after month calls fresh sorts into bloom, a pleasing effect is minutalled. This and may be obtained either culirely from perennicis, which for those who can not space much time for gardening afford the greatest pleasure and variety for the smallest amount of care and attention or for a mixture of arring flowering automatic programs. amount of care, and attention or for a mixture of spring flowering and autumn flowering perenti-als with animiser flowering annuals and half-hardy plants. In very small garness it will advirable to keep only one plant of each kind, but where space paralls, a better effect is often you use du valunting three of a kin i in a group on that when grown, they may look like one
